

ROOFING NEGOTIATIONS UPDATE

April 5, 2019

- The strike mandate ballots were counted and 92% of the members that voted are in favour of a strike if an agreement cannot be reached.
- 2 days were scheduled, Wednesday and Thursday this week for bargaining. Talks were progressing well and we stayed and had further discussions on Friday.
- Some local proposals were agreed to and others are progressing well.
- We have more bargaining dates scheduled for April 23 & 24, 2019.

April 11, 2019

- Following discussions to advance bargaining, there is a request from the Bargaining Committee to the Ministry of Labour to have a “No Board” report issued. This will put the Union in a legal strike position on May 1, 2019.
- To qualify for strike benefits, dues must be paid in advance as per Article 30, section 4(d) of the Constitution.
