- the Memorandum of Settlement voted on over the last few days has been rejected by membership in a secret ballot. The Ontario Industrial Roofing Contractors Association have agreed to meet with the union bargaining committee on Tuesday May 7, 2019, to resume bargaining. Further details to follow. Please continue to provide the high quality of workmanship you are accustomed to performing. We are confident we can reach a Settlement. To be clear all members should continue to report to work as previously scheduled.
