To All 473 Members,

The Contractors were unable to meet this weekend. As a result, we are scheduled to meet on Monday and hopefully Tuesday next week. We as a negotiation team are looking to make some modifications in our latest proposal to the Contractors in hopes of reaching an agreement.

I am optimistic that these further proposals will result in forward progress and ultimately a contract to bring back to the membership for ratification.

Thank you for your dedication, support and commitment to a better quality of life.

In Solidarity,

Mark G Hall.
